

Activities & Deadlines

- **Horseback Riding & E-Bikes:** The deadline for horseback riding payments was the 15th.
- **Weather Policies:** The horseback riding company follows a standard 14-day refund policy for cancellations but will issue a full refund if external factors (like severe weather) prevent the activity. E-bike cancellation policies are more flexible, requiring only a 48-hour notice.
- **Contingency Plan:** If weather forces an activity cancellation, the group agreed to simply relax and enjoy the amenities at the resort rather than scheduling alternative outings.

Communications & Logistics

- **Communication:** A separate, temporary WhatsApp group will be set up exclusively for the trip attendees to streamline updates and ignore old information.
- **Transportation:** Travel arrangements have been mostly coordinated. Attendees flying in will be grouped based on arrival times to coordinate car rentals. **Meal & Dining Schedule**

The group reviewed the itinerary and made several location and timing updates:

- **Wednesday Night:** Dinner is planned at **Plonk**, a wine and food bar in downtown Bozeman. It offers a relaxed atmosphere, so casual-nice attire is sufficient.
- **Thursday:**
 - **Breakfast** at the hotel or nearby coffee shops at their own discretion.
 - **Lunch** will be at the **Wonderland Cafe & Lodge**, followed by checking into the **Under Canvas** glamping site.
 - **Dinner** will be held at Under Canvas that evening.
- **Friday:**
 - **Breakfast**
 - **Lunch** will be at Under Canvas.
 - **Dinner** will be held early at the **Sage Lodge** directly following the day's activities to avoid late-night driving in the dark.

Important Cash Reminder: Several of the researched restaurants implement a **3% service fee for credit card transactions**. It is strongly recommended that all participants

bring cash to pay for meals—especially for the group sit-down dinners on Wednesday and Thursday—as well as cash tips for the activity guides.
